Dear Scholars:

I'm excited about the new entrepreneurship program! The start of classes brings for all of us a mix of new experiences, familiar scholars, and new friends. I'm looking forward to getting acquainted. Please answer the following questions and return this letter to me by your start date. Thank you, and I look forward to guiding you to a successful year.

Sincerely,

Tina Heard Andrews
President of New Phase Corporation

1. What subject(s) do you excel in?

2. What causes you to feel especially good about yourself? This might include activities, talents, and acquired skills.

3. Are there areas of your education which you have specific concerns? How would you like to see this improve?

4. Describe in your own words what is your biggest distraction?

5. What are your interests outside of school?

6. Do you have a child? If so how many and what are their ages?

7. Is there any other information you would like to share about yourself?
